

Apollomics to Present at the Oppenheimer 34th Annual Healthcare Life Sciences Conference

February 7, 2024 12:00 PM EST

FOSTER CITY, Calif., Feb. 07, 2024 (GLOBE NEWSWIRE) -- [Apollomics Inc.](#) ("Apollomics" or the "Company"), a clinical-stage biopharmaceutical company developing medicines to address difficult-to-treat cancers, today announced that Guo-Liang Yu, Ph.D., Chairman and Chief Executive Officer of Apollomics, and Sanjeev Redkar, Ph.D., President of Apollomics, will present virtually at the Oppenheimer 34th Annual Healthcare Life Sciences Conference on Wednesday, February 14, 2024 at 10:40 a.m. ET.

Investors interested in arranging a meeting with the Company's management during the conference should contact the conference coordinator. A live webcast of the presentation can be accessed [HERE](#) and under the [Investors](#) tab of the Apollomics website at www.apollomicsinc.com. A replay of the webcast will be accessible following the event. For more information, please visit the investor section of www.apollomicsinc.com.

About Apollomics Inc.

Apollomics Inc. is an innovative clinical-stage biopharmaceutical company focused on the discovery and development of oncology therapies with the potential to be combined with other treatment options to harness the immune system and target specific molecular pathways to inhibit cancer. Apollomics currently has a pipeline of nine drug candidates across multiple programs, six of which are currently in the clinical stage of development. Apollomics' lead programs include vebreltinib (APL-101), a potent, selective c-Met inhibitor for the treatment of non-small cell lung cancer and other advanced tumors with c-Met alterations, and uproleselan (APL-106), a specific E-Selectin antagonist that has the potential to be used adjunctively with standard chemotherapy to treat acute myeloid leukemia.

Cautionary Statement Regarding Forward-Looking Statements

This press release includes statements that constitute "forward-looking statements" within the meaning of the federal securities laws, including Section 27A of the Securities Act of 1933, as amended (the "Securities Act"), and Section 21E of the Securities Exchange Act of 1934, as amended (the "Exchange Act"). All statements, other than statements of present or historical fact included in this press release, are forward-looking statements. When used in this press release, the words "potential," "could," "should," "will," "may," "believe," "estimate," "expect," the negative of such terms and other similar expressions are intended to identify forward-looking statements, although not all forward-looking statements contain such identifying words. Forward-looking statements are based on management's current expectations and assumptions about future events and are based on currently available information as to the outcome and timing of future events. Apollomics cautions you that its forward-looking statements are subject to unknown risks, uncertainties and other factors that could cause actual results to differ materially from those indicated in the Company's forward-looking statements, including: (i) the impact of any current or new government regulations in the United States and China affecting Apollomics' operations and the continued listing of Apollomics' securities; (ii) the inability to achieve successful clinical results or to obtain licensing of third-party intellectual property rights for future discovery and development of Apollomics' oncology projects; (iii) the failure to commercialize product candidates and achieve market acceptance of such product candidates; (iv) the failure to protect intellectual property, and the risk of litigious claims, proceedings, litigation or other types of disputes related to Apollomics' business, licenses or intellectual property; (v) breaches in data security; (vi) the risk that Apollomics may not be able to develop and maintain effective internal controls; (vii) unfavorable changes to the regulatory environment; and those risks and uncertainties discussed in the Annual Report on Form 20-F for the year ended December 31, 2022, filed by Apollomics Inc. with the U.S. Securities and Exchange Commission ("SEC") on April 28, 2023, under the heading "Risk Factors" and the other documents filed, or to be filed, by the Company with the SEC. Additional information concerning these and other factors that may impact the Company can be found in the reports that Apollomics has filed and will file from time to time with the SEC. These SEC filings are available publicly on the SEC's website at www.sec.gov. Forward-looking statements speak only as of the date made by the Company. Apollomics undertakes no obligation to update publicly any of its forward-looking statements to reflect actual results, new information or future events, changes in assumptions or changes in other factors affecting forward-looking statements, except to the extent required by applicable law.
